

The San Diego Regional Center  
invites you to join us for...

## *Person-Centered Thinking*

### Now offering the full curriculum online!

The San Diego Regional Center is dedicated to promoting the use of person-centered practices with individuals accessing SDRC services. This Person-Centered Thinking Training was developed by The Learning Community for Person-Centered Practices ([www.tlcpcp.com](http://www.tlcpcp.com)) and teaches the principles behind person-centered thinking and provides attendees with a variety of tools and techniques to implement person-centered thinking practices. Information in the training is relevant to all aspects of service coordination and provision and is consistent with HCBS Final Settings Rule, Self-Determination, and Employment First. All SDRC trainers are certified by The Learning Community.

The curriculum will be delivered on the Zoom meeting platform in six 3-hour sessions. All materials will be available via Google Drive. This training is FREE and open to the public.

All sessions take place from 1:00pm-4:00pm on the following dates:

December 8<sup>th</sup>

December 9<sup>th</sup>

December 10<sup>th</sup>

December 15<sup>th</sup>
